

## CATARRH LEADS TO CONSUMPTION

Catarrh is as much a blood disease as scrofula or rheumatism. It may be relieved, but it cannot be removed by simply local treatment. It breaks down the general health, weakens the lung tissues, and leads to consumption.

Hood's Sarsaparilla is so successful in the treatment of catarrh that it is known as the best remedy for this disease. It purifies the blood. Ask your druggist for it.

## American Friends Praise Venizelos

New York, Nov. 20.—The friends and admirers, the Greek political leader, are planning a great demonstration in his honor, and he will send greetings by cable at a mass meeting which will be held in support of his efforts to have the people of Greece take the right stand toward the belligerent nations of Europe. The fact that a new election is to be held in Greece a month from now makes affairs in that country seem rather serious. Followers of Venizelos fear that with the elections held, while the army is mobilized, and with the soldiers permitted to vote, the crown will be able to exert a much more subtle influence and direct pressure than otherwise. With a vote endorsing the policies of King Constantine, the Venizelos adherents assert that parliamentary government would be only a farce, so a mighty protest will be sent to the mother country by citizens in the United States.

## \$100 Reward \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts through the blood on the mucous surfaces of the system, thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: P. J. Cheney & Co., Toledo, Ohio. Sold by all Druggists, 75c.

## TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts Your Liver Without Making You Sick and Can not Salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead, and feel fine, full of vigor, give to children; they like it, or and ambition.

## CONTRACTOR IS AMAZED AT GENEROSITY

W. D. TALIAFERRO FINDS THAT THE SANTA FE ACCEPTS HIS LOSS ESTIMATES. THIS IS THE UNUSUAL THING.

W. D. Taliaferro, a prominent contractor of this city has been amazed at the absolute fairness of the Santa Fe Railway Company in making settlements. He has been accustomed to making estimates of losses on buildings for years, but has also been accustomed to seeing the companies pay losses rather grudgingly, and the free, open, and generous method of the Santa Fe has been a revelation to him. Mr. Taliaferro is so gratified and elated over the matter that he could not resist writing a letter to Mr. Ripley and giving expression to his gratitude. Following is the letter which Mr. Taliaferro sent to Mr. Ripley:

"Ardmore, Okla., Nov. 20, 1915. Mr. E. P. Ripley, Pres. Santa Fe Railway Co., Chicago, Ill.

MY DEAR SIR:

On behalf of my clients, for whom I made estimate of losses sustained by the recent explosion, I desire to express the deepest appreciation for the fair and equitable manner in which the Santa Fe Railway Company treated the people of this city in the matter of settlement of claims.

As a contractor for years I have frequently been called upon to assist in the adjustment of claims for losses sustained as a result of fire and storm and since the recent disaster I have been called upon to make estimates of damage approximating \$40,000 and I desire to state that I have never been more fairly treated by any set of men than I have by the agents of your company here. They have accepted my figures and after careful investigation have granted the requests of claimants without question, and settlements were promptly made.

In every transaction the claim agents have been eminently fair and I am not alone when I say that but for such treatment Ardmore would have suffered to a far greater extent than they have and for the system that so magnanimously came to the rescue of the stricken city we have the deepest appreciation. And, because of your prompt settlement, Ardmore will be rebuilt a more beautiful and substantial city than it was, and it will be a monument to the sincerity and stability of the Santa Fe.

Such action on your part is worthy of emulation in all lines of business and the spirit of fairness goes far toward making better the brotherhood of man.

With best wishes for your personal health and continued prosperity for the Santa Fe, I beg to remain,

Sincerely yours,

W. D. TALIAFERRO.

LEATHER FIRM SHIPS  
BOOZE AS "RED INK"

St. Louis, Mo., Nov. 28.—A wholesale leather firm in St. Louis, it was learned Thursday, has been required by the internal revenue agents to take out a wholesale liquor license.

The revenue agents learned that the leather firm was in the habit of shipping liquor to customers in "dry" territory, who so requested. This was done as a favor, it was explained, and not for profit. The liquor was billed "red ink." The liquor was sent with regular consignments of leather goods.

COMMITTED ROBBERY  
ON THE WRONG DATE

McAlester, Okla., Nov. 20.—With superstition indelibly impressed upon him by a two-years' term in the state penitentiary, Ed Lucas, 16-year-old negro, is one member of the race who will always carry a dread of hoodoo numerals.

"Two's no use, judge," he explained in district court, in pleading guilty to a robbery committed Saturday. "Ah lef' Muskogee on Friday, got to McAlester on de 12th, and stole 'nact'."

Man is a live-tock. Ah guess Ah sho' is due for ashamed of the Ben Dick's place." A sensitive feet was captured by the police in a few minutes after the robbery was committed.

## M'KINLEY BIRTHPLACE MEMORIAL

LAYING OF CORNER STONE WITH CEREMONIES REMINISCENT OF FORMER PRESIDENT'S LIFE—SPEAKERS OF NATIONAL FAME

Niles, O., Nov. 20.—The corner stone of the National McKinley Birthplace Memorial was laid here at noon today with ceremonies reminiscent of the former president's life. "Lead Kindly Light," the hymn which clung to the murdered president in his dying moments, and the Strauss waltz, "On the Beautiful Blue Danube," a favorite of Mrs. McKinley, were played by the United States Marine Band, and Jas. H. Hoyt, an intimate friend of the former president, recited personal reminiscences.

President Wilson was forced to decline an invitation to lay the corner stone, but he sent a representative of the national administration and promised to be present at the dedication of the building later. Other guests of the day included Senators Atlee Pomerene and Warren G. Harding of Ohio; Representative William A. Ashbrook of Johnstown, Ohio; J. G. Schmidlap of Cincinnati, one of the trustees of the memorial fund; Gov. Frank Willis of Ohio; Myron T. Herrick of Cleveland, former ambassador to France, and L. C. Dyer of St. Louis, a member of congress and commander of the United Spanish War Veterans; Gov. Willis, Mr. Herrick and Congressman Dyer being the principal speakers.

The day's program began with a parade in which state troops, veteran organizations, Masons and other organizations in which McKinley was interested, took part.

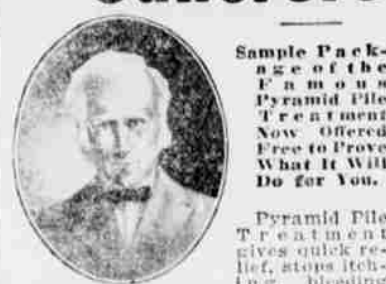

Camps of Spanish War Veterans and posts of the Grand Army of the Republic from Cleveland, Alliance, Canton, and Akron, O., and Pittsburgh, Sharon and New Castle, Pa. were in the line of march. Half a dozen bands made music for the parade.

After the Masonic part of the program a tablet was affixed to the stone bearing this inscription:

"ERECTED 1915.  
"To Perpetuate the Name and Achievements of William McKinley Twenty-fifth President of the United States of America.  
"Born January 28, 1843.  
"Died September 14, 1901."

The building itself, when complete, will be a two-story structure of severe colonial design, flanked by one

## Well Known Remedy Relieves Chronic Case

Important to Dispose of Waste from the Stomach With Regularity

Mr. THOMAS DeLOACH

People frequently attribute to failure of the digestive organs conditions that are primarily due to inactive bowels, and apply remedies that from their very nature are more apt to aggravate than to relieve the disorder.

When the bowels act regularly, the stomach is in better shape to perform its allotted tasks and can usually be depended upon. To keep the bowels in condition there is no more effective remedy than the combination of simple effective laxative herbs known as Dr. Caldwell's Syrup Pepsin which is sold in drug stores for fifty cents a bottle. Dr. Caldwell has prescribed this remedy in his practice for over a quarter of a century and it is today the standard household remedy in thousands of homes. Mr. Thos. DeLoach, with the department of the interior, office of Indian affairs, at Washington, wrote to Dr. Caldwell recently that "Dr. Caldwell's Syrup Pepsin is the best laxative I have any knowledge

of and the cleaning up guaranteed by its use relieves every organ." A bottle of Dr. Caldwell's Syrup Pepsin should be on hand in every home for use when needed. A trial bottle free of charge, can be obtained by writing to Dr. W. B. Caldwell, 48 Washington St., Monticello, Ill.

## EXPLOSION NARROWLY AVERTED

Fire Started by Leaking Gasoline Scorches Car.

Guthrie, Okla., Nov. 20.—Prompt action of Santa Fe employees and the local fire department last night averted a disaster that might have rivalled that of Ardmore. While a railway employee was passing a car loaded with gasoline in barrels, gas from a leaking barrel caused his lantern to explode and started a fire which did several hundred dollars' damage to the freight depot and several freight cars before it was extinguished by the fire brigade.

The barrels of gasoline were scorch-
